### Policy

#### Deferral and suspension of studies

1. Deferral and suspension of studies will only be granted in compassionate or compelling circumstances as included in the definitions above. The circumstances listed are example of what may be considered compassionate or compelling circumstances and each case will be assessed on its individual merits.
2. When determining whether compassionate or compelling circumstances exist, ABI considers documentary evidence provided to support the claim, and stores copies of these documents in the student's file.
3. A retrospective deferment or suspension may be justified if the student was unable to contact ABI because of a circumstance such as being involved in a car accident.
4. Where a student initiated deferral or suspension of enrolment is granted, ABI will suspend an enrolment for an agreed period - to a maximum of 12 months. If the deferral is required for longer than 12 months, the student's application will be re-assessed. If the suspension period has expired and the student does not return, the student's enrolment will be cancelled.

#### Cancellation of studies

5. Students may initiate cancellation of their studies at any time during their course. Students who wish to withdraw within six months of their course to transfer to another provider will be processed as per ABI *Course Transfer Policy and Procedure SC8*.
6. ABI may also initiate suspension or cancellation of a student's enrolment on the grounds of misbehaviour of the student or non-payment of fees. Information in the Student Handbook describes the behaviour expected by students, as well as information on plagiarism, collusion and cheating.
7. Cancellation of the student's enrolment due to unsatisfactory course progress or attendance will be handled as per ABI *Course Progress and Attendance Monitoring Policy and Procedures SC9*.

#### Visa status

8. Deferment, suspension or cancellation of a student's visa may affect the student's visa. When a student's enrolment is deferred, suspended or cancelled, ABI will notify DET via PRISMS of the change in enrolment status.
9. Where a student accesses the complaints and appeals process, ABI will not notify DET via PRISMS until the internal appeals process is complete. Where the student chooses to access an external appeals process, DET will still be notified via PRISMS.

## SC10: Deferral, Suspension and Cancellation Policy & Procedure

10. Students are referred to the DIBP web site (<http://www.immi.gov.au/>) or Helpline (131 881) for information and their local DIBP office for advice on how the potential change to enrolment status may impact upon his or her visa.
11. Once the DET has been notified of a suspension or cancellation of a student's enrolment, the student has 28 days in which to leave Australia or show the DIBP a new CoE or provide DIBP with evidence that he or she has accessed an external appeals process.
12. Regardless of whether the suspension of enrolment is the result of a student request for suspension or a suspension imposed by ABI, the period of suspension of enrolment (as entered in PRISMS) will not be included in attendance monitoring calculations.
13. Where ABI initiates the suspension or cancellation of a student's enrolment, the student will be notified of this intention and will be informed that they have 20 working days to access ABI's *Complaints and Appeals Policy and Procedure C4*, unless extenuating circumstances relating to the welfare of the student apply. Such circumstances may include where the, is missing; has medical concerns, severe depression or psychological issues which lead the provider to fear for the student's wellbeing; has engaged or threatens to engage in behaviour that is reasonably believed to endanger the student or others; or is at risk of committing a criminal offence.
14. Students may choose to access an external appeals process as per ABI's *Complaints and Appeals Policy and Procedure C4*. In the case of an external appeal, ABI is not required to wait for the outcome of the external appeal before notifying DIBP of the change to the student's enrolment status.
15. In relation to suspension, ABI will continue to provide learning opportunities to students during the appeals process. However, where it is considered that a student should not attend classes during the appeals process, students will be provided with work that can be completed outside of the classroom environment.
16. ABI provides information about its *Deferral, Suspension and Cancellation Policy and Procedure SC10* on the above in the International Student Handbook and at orientation.
17. Student may access all relevant forms for deferral or suspension through ABI by direct request.
18. Standards of behaviour required are outlined in the Student Handbook.
19. Appropriate records of the assessment of the student's application for deferral, suspension or cancellation will be kept on the student's file. Where a student is suspended or their enrolment cancelled due to misbehaviour, documentary evidence of this decision will also be kept.
